

Easy employee scheduling for restaurants

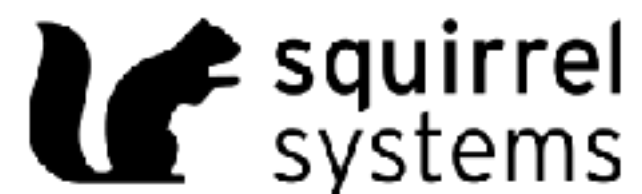

The screenshot displays the 7SHIFTS web application interface. At the top, there is a navigation bar with the 7SHIFTS logo, a hamburger menu, and links for Home, Calendar, Manage, Log Book, and Reports. Below the navigation bar, the main content area is titled "Schedules" and includes tabs for View, Sync, Events, and Templates. The interface shows a calendar view for the week of March 23, 2018, to March 29, 2018, for the "Burgers on 22nd" location, "Front of House" department. A "Show weekly budget tool" button is visible, along with summary statistics: 255h and \$25,337.09. The calendar grid lists employees and their scheduled shifts, with color-coded bars indicating shift times and durations. A mobile notification card is overlaid on the left side of the screen, displaying the current temperature (19°C), a greeting ("Good morning, James."), and a shift notification for 8:00 AM to 4:30 PM at Boston Pizza.
