

# The ultimate digital workspace.

Company intranet software that moves how you move.

**Gartner** See Axero in Gartner Market Guide for Intranet Solutions.

## One app. All integrated. End of story.

Designed for organizations who need the ultimate in simplicity and flexibility. Axero intranet brings order and rhythm to your company. Keep people connected at home or the office.

Perfect for remote teams.

### Democratize all comms.

Create, distribute, manage, execute, and analyze your internal and employee communications with powerful tools.

### Create a connected space.

Bring your people together to collaborate, work on documents, and share ideas. More engagement out of the box.

### Show them the way.

Connect your people through an employee directory, rich profiles, an org-chart, recognition, and a beautiful experience.

### Fact-check anything.

Create a culture of transparency and trust by giving your employees access to the information and resources they need to do their jobs.

### Powerful integrations. Easy roll-outs.

From Office 365 to Google Workspace to document management systems and single sign-on, your intranet comes with integrations that get you started right.

### You're in good company.

Trusted by the world's top brands. Join hundreds of companies and millions of employees using Axero intranet.

"Axero's implementation support has been excellent. It's easy to use and the setup is best-in-class. It has a nice, comprehensive blend of features, too."
