

# G2 PSA SOFTWARE COMPARISON REPORT

SPRING 2020

# PSA Software Momentum Leaders

**BigTime is the leading solution trending upward for growth and satisfaction.**

Gain insight into products that are outpacing industry growth by delivering innovative solutions that meet the evolving needs of their users. The Momentum Grid identifies products that are on a high growth trajectory based on user satisfaction scores, employee growth, and digital presence. Evaluate products on the Momentum Grid to keep apprised of products that are pushing the boundaries of the market.

# Customer Satisfaction Ratings for PSA

G2 reviewers rated software vendors' ability to satisfy their needs as shown in the table below.

|                | Satisfaction        |                                   | Satisfaction by Category |               |                        |                    |               |             | Net Promoter Score (NPS) |
|----------------|---------------------|-----------------------------------|--------------------------|---------------|------------------------|--------------------|---------------|-------------|--------------------------|
|                | Likely to Recommend | Product Going in Right Direction? | Meets Requirements       | Ease of Admin | Ease of Doing Business | Quality of Support | Ease of Setup | Ease of Use |                          |
| FinancialForce | 83%                 | 87%                               | 83%                      | 75%           | 84%                    | 84%                | 71%           | 81%         | 35                       |
| Mavenlink      | 88%                 | 95%                               | 86%                      | 87%           | 91%                    | 91%                | 83%           | 85%         | 40                       |
| BigTime        | 92%                 | 92%                               | 92%                      | 92%           | 95%                    | 96%                | 88%           | 92%         | 66                       |
| Kimble PSA     | 86%                 | 92%                               | 87%                      | 78%           | 89%                    | 87%                | 73%           | 80%         | 52                       |
| ConnectWise    | 81%                 | 74%                               | 87%                      | 76%           | 81%                    | 79%                | 65%           | 78%         | 24                       |
| Accelo         | 89%                 | 91%                               | 91%                      | 80%           | 94%                    | 92%                | 77%           | 85%         | 62                       |
| Clarizen One   | 81%                 | 82%                               | 84%                      | 80%           | 88%                    | 85%                | 74%           | 78%         | 29                       |
| Projector      | 91%                 | 91%                               | 90%                      | 85%           | 97%                    | 97%                | 79%           | 85%         | 71                       |

## Implementation

|                | Deployment |             | Implementation Time    | Implementation Method |                      |                        |            | Number of Users Purchased     | Contract Term               |
|----------------|------------|-------------|------------------------|-----------------------|----------------------|------------------------|------------|-------------------------------|-----------------------------|
|                | Cloud      | On-Premises | Avg. Months to Go Live | In-House Team         | Vendor Services Team | Third-Party Consultant | Don't know | Median Number of Users Bought | Avg. Contract Term (Months) |
| FinancialForce | 100%       | 0%          | 5.4                    | 35%                   | 23%                  | 42%                    | 0%         | 175                           | 24                          |
| Mavenlink      | 100%       | 0%          | 2.4                    | 69%                   | 27%                  | 1%                     | 2%         | 37                            | 24                          |
| BigTime        | 100%       | 0%          | 1.4                    | 79%                   | 15%                  | 2%                     | 5%         | 17                            | 11                          |
| Kimble PSA     | 100%       | 0%          | 4.0                    | 40%                   | 38%                  | 18%                    | 4%         | 175                           | 24                          |
