

VIRTUAL EXPERIENCE SOLUTION

Elevate your events and reach the full potential of audience engagement anywhere, at any scale. **Bizzabo's Virtual Experience Solution** empowers event organizers to provide attendees with experiences that are almost as impactful as in-person events with powerful live streaming and on-demand capabilities, comprehensive networking opportunities, and accessibility across devices.

Key Benefits

Maximize your reach - Eliminate physical barriers and broaden your audience. Virtual events allow attendees to join sessions, no matter where they are.

Improve efficiency - Reuse existing event assets to make any session virtual or hybrid in minutes.

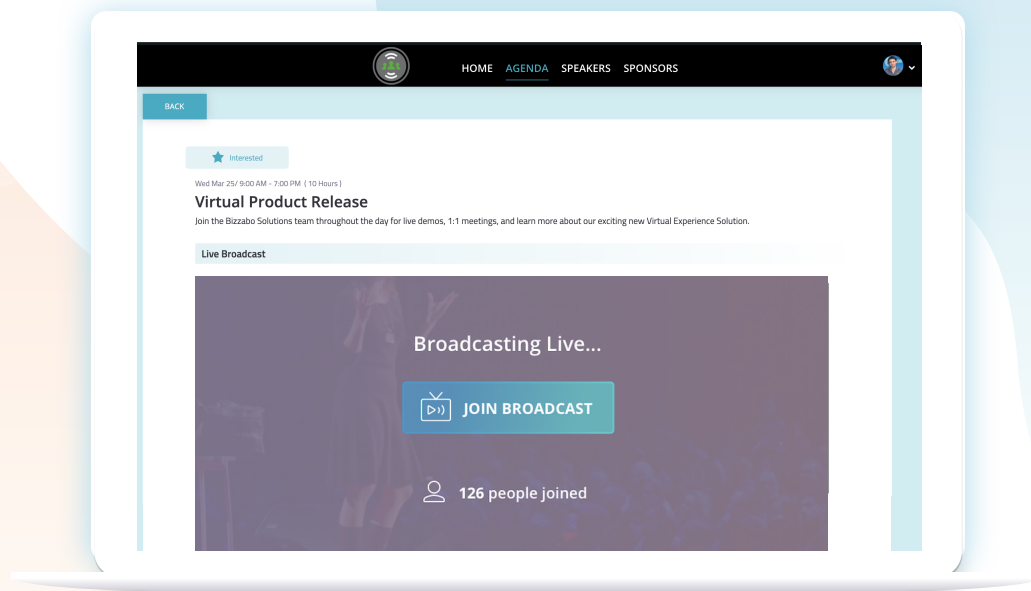

Amazing attendee experiences - Create engaging moments with extensive collaboration tools and provide attendees with a virtual community.

Immediate insights - Gain a holistic view into your events strategy and understand how virtual events drive business outcomes.
