

# SOFTWARE TO MOBILIZE YOUR CHURCH

A full software suite for managing all the things that keep you up at night, letting you get back to what's most important — **making disciples and building teams.**

**Equip God's People**  
"Their [gifted leaders'] responsibility is to equip God's people to do His work and build up the church, the body of Christ."  
Ephesians 4:12 NLT

## EFFECTIVE DISCIPLESHIP

Capture names, interests, family and more. Automate an assimilation system. Connect people and track group health with revolutionary reports.

## EFFICIENT MINISTRY

Email and text with marketing tools like templates, lists and reports. Registrations for everything, including payments. Automate volunteer schedules.

## EXCEPTIONAL INTEGRITY

State-of-the-art online and text giving. 100% secure contribution management. Mobile and text check-in gives parents confidence that their kids are safe.

## TEXT-TO-CHURCH™

Award-winning feature that offers database access by texting a local 10-digit number you choose to: give, register, attend, check in, follow up on assignments, update info, volunteer and get meeting schedules, plus access groups, directory and more. Try it now — just text DEMO to (817) 677-9850 and follow the instructions.

## ONLINE/TEXT GIVING

Convenience and consistency increase giving. Many churches see an increase of 15-20% by using online giving.

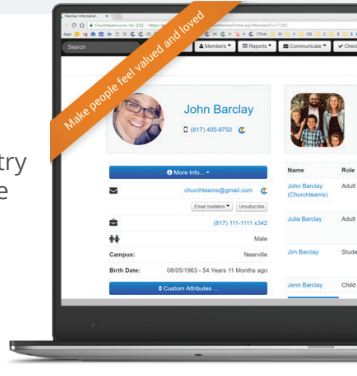

- Save credit cards for event payments
- Save on fees with default ACH
- Split and recurring donations

## MEMBERSHIP

Knowing everyone's information, family structure, class and/or ministry involvement and progress over time gives you the insight you need.

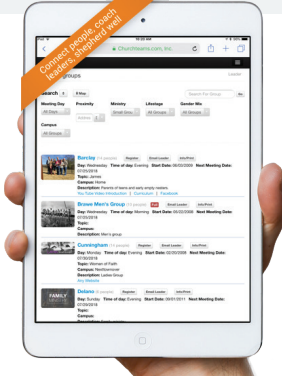

- Optimized for mobile access
- Workflow for consistent follow-up
- Efficient data entry

## GROUPS

Discipleship happens best in small groups. We'll help you shepherd them with excellence.

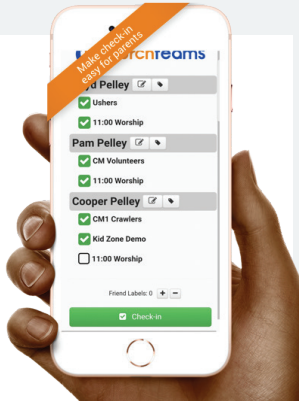

- Groupfinder connects people
- Automated information collection
- Group health report for coaching

## CHECK-IN

Check-in is loaded with features, which help keep kids safe, track attendance and make data entry more efficient.

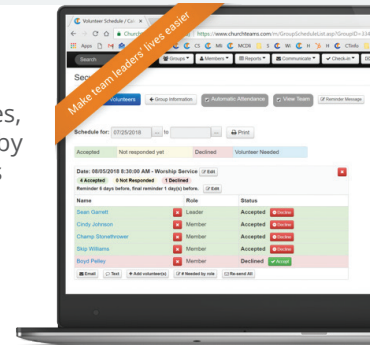

- Text-to-check-in. Don't wait in line.
- Mobile check-in with tablets or phones
- Use texting as a pager

## VOLUNTEERS

Make managing volunteers, their roles, their groups and their classes easier by helping with recruiting, multi-campus scheduling and mission needs.

- Create a schedule and walk away
- Reminders are automated by text and email
- Use to RSVP for anything

## REGISTRATION

Mobilize people by simplifying the entire registration process. Manage events, take payments and promote on your website or using social media.

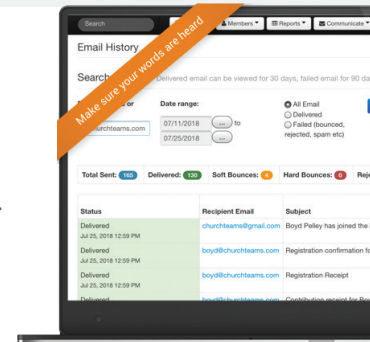

- Text-to-register
- Custom form builder
- Click-to-pay payments and reminders

## COMMUNICATIONS

Take email and texting to the next level by aligning and tracking the effectiveness of your communication strategy with built-in marketing tools.

- Custom templates and schedules
- Track deliverability and open rates
- Workflows for follow-up communication
