## **GOOD TO KNOW**

### **Question and tests comply with laws**

We take utmost care in creating composition of a assessment so that tests are fair, reliable and valid. Questions are checked for its fairness and non-biases.

### **Upgrading the platform**

Regarding platform and features upgrade , we release significant new features/upgrade once every month. For enterprise customers, we prioritize the feature based on mutual discussion. Regarding questions : we create one new skill assessment every day. We typically add/revise questions in each skills every 6 months.

### **SaaS platform**

We are a SaaS based application hosted on Microsoft Windows Azure Cloud. Our upgrades are available to all customers depending on their pricing packages. Our Account Manager will On-board your team on new upgrades, typically once month.

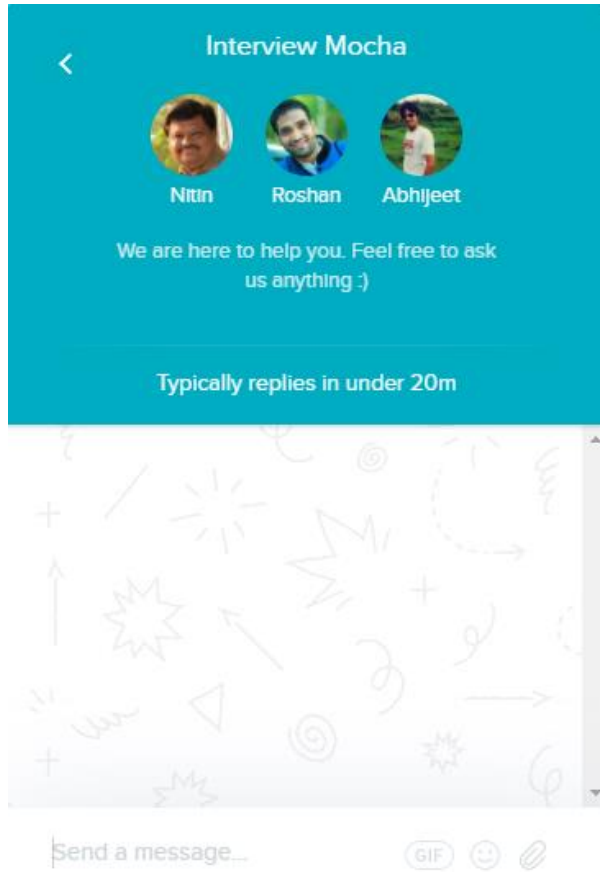

### **Downtime**

We notify our customers 2 weeks prior for all planned downtimes. In last 2 years, we had downtime for only 2 instances

### **Help center**

Extensive help articles available online ( [help.interviewmocha.com](https://help.interviewmocha.com) )

## Chat

## Video conference –zoom

## Phone support

- 24 x 5 support on chat
- Monthly customer success meeting
- Quarterly stakeholder meeting with enterprise customers
- Audit log of every activity on the tool
- NPS / health of every enterprise customer reviewed each quarter by the company management and all corrective measures are taken as the part of the company policy

Resourceful help center [help.interviewmocha.com](https://help.interviewmocha.com)

The screenshot shows the Interview Mocha help center homepage. At the top left is the 'interviewmocha' logo. At the top right, there is a 'Welcome' message and a green 'LOGIN' button. Below the logo, there are navigation links for 'Home' and 'Solutions'. The main content area features a search bar with the text 'How can we help you today?' and a placeholder 'Enter your search term here...'. Below the search bar are two buttons: '+ New Support Ticket' and '↕ Check Ticket Status'. A 'Knowledge base' section is highlighted with a green underline. It contains two columns of articles: 'Test Creation (10)' and 'Test Settings (4)'. The 'Test Creation' column lists 'How to use Interview Mocha's "Ready Skills Tests"?' and 'How to create a test?'. The 'Test Settings' column lists 'How to change Test Settings?' and 'What are the question settings?'.
