G2 Spring Grid Report - 2021

ITILITE Recognized As a High Performer
In Travel & Expense Management

G2 is the world's leading business software review platform. Using its proprietary algorithm and scorecard, it compares software side by side and helps companies make an informed buying decision.

"100% of users rated ITILITE 4 or 5 stars, 92% of users believe we are headed in the right direction, and 93% of users would recommend ITILITE"

Each quarter, G2 evaluates software providers based on both market presence & customer satisfaction and recognizes high performers. Once again, ITILITE has ranked as a "High Performer" in G2's Spring 2021 Report across "Travel & Expense Management", "Travel Management", and "Expense Management" categories.

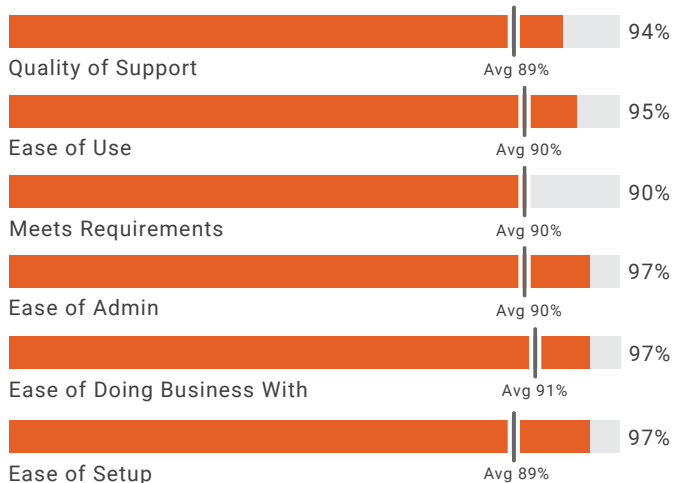

High Performer in G2 Grid® & Mid Market Report for Travel & Expense

With an NPS of 88 & 90 (Grid & Mid Market), ITILITE leads the way with a score higher than TripActions, TravelPerk, SAP Concur & Egencia. It also ranks higher in ease of admin, ease of set up, and ease of doing business, with a nearly perfect score of 97%.

Satisfaction Ratings

*Grid report for travel and expense | Spring 2021

As a high performer in travel as well, ITILITE outranked SAP Concur, TravelPerk, and Egencia in features like submit, compliance and workflow with a feature rating of 99%, 97% and 96%.

Feature ratings are representative of the reviewer's overall satisfaction with each feature & helps the software buyers to compare products at a more granular level.

Travel Management For Mid-Market: Relationship Index

ITILITE made it to the top 10 on the G2 Relationship Index for Travel Management software. Its 8.59/10 score is based on real-user satisfaction ratings for a number of relationship-related review questions. Buyers refer to the relationship index to choose the product that provides the best relationship with software sellers.

4.7 Out of 5

AG

"The upcoming Travel SaaS platform that makes SAP and AMEX look ancient."

The cheapest logical combination. Their AI packaging is amazing. Get the cheapest logical flights and the most effective location for your hotel.

Arthur G

LB

"Very handy software, good collabs with hotels and airlines, team very helpful."

Simple user interface and dashboard, effective pricing, hotel collabs, deal models with airlines. Self-booking model

Lisa B

NS

"Business Travel Booking Simplified"

I like the way the portal is user-friendly and provides a hassle-free booking experience. The rewards system is a cherry on top.
