Boomi customers who switched to Peregrine Connect save money and deploy faster

3 Year Cost Comparison of 100 Connections

With Dell Boomi There's More To Budget For

Monthly cost of additional data storage with Boomi

	1GB	100GB	500GB	1TB
Peregrine Connect	\$0	\$0	\$0	\$0
Boomi	\$0	\$7,500	\$37,500	\$75,000
Boomi Annual Premium	\$0	\$90,000	\$450,000	\$900,000

Boomi customers with the same number of connections, and the same data storage, can pay up to \$2,700,000 more over the same 3-year period. With Peregrine Connect, you get an easier to use, agile, extensible solution for a fraction of the cost.

How They Stack Up

Peregrine Connect enables you to leverage your existing .NET resources to quickly and easily connect your line-of-business systems and applications in the cloud or on-premises in a fraction of the time and for a fraction of the cost of other more complex integration products.
