02 WHY WEBINAR.NET

- ✓ No attendee downloads / Plugins, 100% web-based to attend

- ✓ Easy to use, set up a webinar in under 60-seconds

- ✓ Robust, real-time attendee reporting and analytics

- ✓ More modern, branded UI for you clients

- ✓ "DIY/License", "Managed", "Hybrid Service" (a la carte like webinar editing)

- ✓ Dedicated Sales Enablement - demos, selling, sales engineer, RFPs

- ✓ No limits - no concurrent limits, no webcam limits, no time restrictions (ex. 1:15PM)

- ✓ Much easier to use platform - Simplified User Experience

Easily communicate with audiences of all sizes.
Your brand, your data. Managed services or DIY.
